PRODUCT IMAGE / DIMENSION DRAWING

- Heavy Duty Construction - Made of solid brass with a chrome-plated finish, it is robust and durable. And also supported by a high-impact ABS plastic body.
- Top Fill Design - Easily refill from the top of the dispenser, or also possible to refill by accessing the bottom of the countertop. Equipped with a 34 oz (1 liter) bottle, reducing the frequency of refills.
- Sleek and Secure - Equipped with a 360-degree rotatable 6" extra long spout and built with a vandal-resistant design, it ensures both security and convenience. The chrome finish provides a mirror-like appearance that complements any decor style.
- Versatile Installation - Compatible with different counter thicknesses, it can handle mounting depths of up to 4 inches (100mm) on a 1-inch (2.5 cm) diameter hole.
- Multi-Scene Applicable - Suitable for both residential and commercial settings, including kitchens and public restrooms such as offices, schools, restaurants, hospitals, shopping centres and more.
