

HD1300AS | Hand Dryer

Stardrix V-Force High-Speed Electric Hand Dryer, 110–120V, with HEPA Filter – Graphite Silver

PRODUCT IMAGE / DIMENSION DRAWING

PRODUCT DESCRIPTION

- **Power You Can Feel** – V-FORCE delivers an air speed of up to 150 m/s, drying hands in as little as 12 seconds. Despite its powerful airflow, it operates at a low noise level for a fast and comfortable drying experience.
- **Smart Energy Saving** – The intelligent heating system senses the ambient temperature and adds warm air only when needed, reducing operating power by approximately 31% when the heater is switched off.
- **HEPA Filtration & UVC 360° Technology** – Incoming air is filtered before reaching your hands, capturing up to 99.97% of airborne particles, while UVC 360° technology helps sanitize internal components for cleaner, more hygienic drying.
- **Stylish LED Indicator Lights** – Front LED lights illuminate while the dryer is operating, providing a clear visual status indicator and enhancing its modern appearance.
- **Durable Graphite Silver Housing** – Made from easy-clean ABS with an antibacterial coating, it is built for reliable, long-term use in medium-traffic restrooms.

SPECIFICATION

SKU	HD1300AS
Color	Graphite Silver
Material	ABS
Voltage	110 – 120 V
Power	1300 W
Frequency	50/60 Hz
Motor Power	900 W
Heating Power	400 W (Automatically comes on when room temperature is low)
Air Speed	150 m/s
Air Temperature	50°C
Noise Level	72db
Isolation	Class II
Dimensions	9.21 in W x 15.12 in H x 5.59 in D (23.4 x 38.4 x 14.2 cm)
