

HD950SS | Hand Dryer

Stardrix Slim-Force ADA Compliant Commercial Hand Dryer, 110–120V, with HEPA Filter – Stainless Steel Brushed

PRODUCT IMAGE / DIMENSION DRAWING

PRODUCT DESCRIPTION

- **ADA-Compliant Design** – The ultra-slim 10 cm (4") profile complies with ADA protrusion requirements, making it ideal for accessible restrooms and space-limited areas.
- **High-Speed, Low-Noise Drying** – Delivers an air speed of up to 90 m/s, drying hands in approximately 10–15 seconds while maintaining low operating noise.
- **HEPA-Filtered Air** – The built-in HEPA filter captures up to 99.9% of airborne bacteria and particles before the air reaches users' hands, helping provide a cleaner and more hygienic drying experience.
- **Energy-Efficient Operation** – Operates at only 950W with the heater on or just 400W with the heater switched off. This low-power design costs as little as 13 cents per 1,000 drying cycles, helping reduce electricity use and long-term operating costs.
- **Heavy-Duty Construction** – The durable stainless steel cover and solid steel backplate resist impact, vandalism, and corrosion in busy commercial restrooms.

SPECIFICATION

SKU	HD950SS
Color	Brushed
Material	Stainless Steel
Voltage	110 – 120 V
Power	950 W
Frequency	50/60 Hz
Motor Power	400 W
Heating Power	550 W
Air Speed	90 m/s
Air Temperature	40°C
Noise Level	71db
Isolation	Class II
Dimensions	11.1 in W x 12.7 in H x 4 in D (28.2 x 32.2 x 10.1 cm)
