PRODUCT IMAGE / DIMENSION DRAWING

PRODUCT DESCRIPTION

- Quality Stainless Steel Construction – Robust, vandal-resistant, durable and easy to clean.
- Corrosion Proof Lining – Improved dispenser with plastic liner built inside the steel tank (NOT in other brands).
- Economical Pump System – Automatically limit the amount of soap dispensed. A neat and consistent amount of soap is produced every pump for a clean soap dispensing solution. Designed to last more than 150,000 pumps.
- Easy Installation – Internal fastening system protects against vandalism and theft. Locked filler top opens with special key provided.
- Multi-Scene Application – Ideal for commercial, household and public entities such as offices, schools, restaurants, hospitals, kitchens and shopping centres.
